Community Foundation for Brevard College Scholarship

The Culpepper Nursing Scholarship *A Fund of the Community Foundation for Brevard*

This Community Foundation for Brevard Scholarship award is made possible by the Dr. A.L. Culpepper Endowment established by the Culpepper family at the former Wuesthoff Foundation and will be awarded to college attendees who reside in Brevard County and attend Eastern Florida State College.

A.L. Culpepper, M.D. had a high regard for the nursing profession and it was his desire to help those who wanted to enter the profession or upgrade their skills. The endowment was set up by Mrs. Culpepper in memory of her husband to offer scholarship opportunities to deserving nursing students.

Upon completion of the first year, scholarship recipients may apply for a second year scholarship. Both the amount (up to \$750 for one semester) and number of scholarships will be recommended by a review committee with final approval by the Foundation's Board of Directors.
